

## **CFAC Availability Session/Open House**

Columbia Falls, MT

August 5, 2015

7:00 pm to 8:30 pm

Location TBD

### **Purpose of Availability Session/Open House:**

- Introduce EPA staff to community – put a human face on the agency
- Start to develop relationships with community members
- Provide information about Superfund, the Site and community involvement
- Obtain information about the community and effective ways to communicate

### **Key Messages:**

- The Superfund program can be beneficial to communities.
  - This is how
  - This is how
  - This is how
- EPA and CFAC/Glencore are in the process of negotiating an AOC for the completion of a remedial investigation and feasibility study at the Site.
  - What we can tell them
  - What we can't tell them at this time
- This Superfund
  - What is the Superfund process?
  - What are EPA's plans for community involvement?
- We would like to know how we can communicate effectively with the community
  - What are good dates and times for future meetings?
  - What are good avenues for communication?

### **Tasks:**

- Inform CFAC of our plans (Mark)
- Arrange for a room (Cynthia)
- Develop outreach materials (Cynthia)
  - Advertisement in the paper
  - Email to contact list
  - Announcements to organizations, local government, Congressionals, etc.
- Prepare talking points and FAQs (All)
